Hi!

Hope all is well with you. We had -20° the night of Dec. 7 and still have a lot of snow on the ground.

Although I can return next April, I told the news that I intend to be stay on until I'm 67 and possibly longer if I'm feeling fit. I still do a daily column, a weekly computer column and cover police two nights a week.

Our new home phone number in Franklinville is (716) 676-5739.

as ever,

Lonnie

Wishing you a beautiful world
through all the seasons
of the year

Happy Holidays
